Financial Policy

Please understand that payment of your bill is considered part of your treatment. The following is a statement of our financial policy, which we require that you read and sign.
As a courtesy to you we will submit all insurance claims to your insurance provider. We will provide an estimate of the portion that your insurance will cover. However, it is NOT a guarantee that your insurance will pay exactly as estimated. We will of course, do all we can to make sure our estimate is accurate as possible. All charges you incur are your responsibility regardless of your insurance coverage. We must emphasize that as your dental care provider, our relationship is with you, our patient, not with your insurance company. Our office is not a party to that contract. If payment is not received after 60 days on any claim that is denied by your insurance company, you the patient will be responsible for paying the full amount.
I authorize insurance payment to be made directly to Dr. Storer. I understand that I am responsible for any portion not covered my dental plan.

FINANCIAL CHARGES: All returned checks are subject to a $25 fee. All balances over 60 days are subject to interest in the amount of 18% annum.
PAST DUE ACCOUNTS: In the event that your account is left unpaid we will report it to all 3 major credit bureaus and assign it over to a Collection Agency.

I have read, understand, and accept the terms of the aforementioned financial policy:

_____ Date: _____ Relationship to Patient: _____
Signature of patient, parent or guardian

Both parties are responsible for paying the debt, but may, depending, on their divorce decree, sue the non-paying party for the obligation that has been paid. Our policy is not to get involved in the divorce decree itself. We explain the obligations of both mother and father and that the decree is between them. This helps focus direction back on the bill being paid.
